## EXPERIENCE

---

07/02/23 – 07/06/23

Social service • SEP • Zapopan, JAL

Personal Projects • Zapopan,JAL

During my stay in the social service, I had the opportunity to teach classes as well as maintain different spaces such as computer labs, as well as the network switches, which gave internet to the entire school.

In my personal projects, I have developed different software for some friends and family, such as web pages and desktop applications
